

**It's time to turn up the VOLUME and
AMPLIFY AUSTIN!**

Your favorite technology nonprofit has teamed up again with I Live Here, I Give Here's Amplify Austin to raise money during a fun and challenge-filled, 24-hour, Internet-based fundraising event.

**6 p.m March 20 -
6 p.m. March 21**

Last year our community Amplified Austin in a massive way and helped us raise \$4,200 to go towards basic computer training and job search assistance.

I challenge each of you to be an **Amplify Austin Free-Net Advocate***. Compete with your co-workers, family and friends to see who can raise the most money and help Austin Free-Net reach our goal of \$10,000! Individual donations can also be made by visiting Austin Free-Net's [Amplified Austin web page](#) beginning at 6 p.m. on March 20th.

Can you imagine what your life would be like if you

If a gift of \$25 can provide one hour of one-on-one resume review and training for an under-employed, struggling, single mother, imagine how a gift of \$100, \$500 or \$1,000 and more will affect our most in-need residents.

Give our community the gift of digital literacy by AMPLIFYING your Donations March 20-21 during the city-wide [Amplify Austin](#) event.

TOGETHER WE WILL AMPLIFY AUSTIN!

*Visit our [Amplified Austin page](#) and create a Fundraising Campaign. You will be able to track donations on behalf of Austin Free-Net and schedule a donation. It's easy and will save you time in the future. We will also keep you posted about special promotions during the event to help amplify your donation.
